

Dentistry Merit Badge

- 1) Print both radiographs below. Use the full-length view (*) as a reference for their drawing for (a.) and (b.). The other "bitewing" view (**) shows areas of decay for them to circle with red ink and (c.). Bring to class.

*

**

- 2) Complete (a.), (b.), (c.) and (d.) and email to cbradmillerdds@yahoo.com by September 24, 2018. Be prepared to discuss in class.
- 3) Bring a statement from a dentist that they have had a visit since September 29, 2017, to class and we will discuss.
- 4) Do (a.) and (c.) and email to cbradmillerdds@yahoo.com by September 24, 2018. I may do a demonstration or a small exercise with dental stone (b.).
- 5) Write a paragraph each for (a.) and (b.) and email to me by September 24, 2018. Be prepared to discuss (a.) and (b.) in class.
- 6) Do TWO of the choices and bring to class.
- 7) Write a paragraph each about general dentistry (or a dental specialty) AND one auxiliary dental profession to include education/training/experience requirements and email to cbradmillerdds@yahoo.com by September 24, 2018. Be prepared to discuss in class.
