

# Outside Camp Merit Badge Requirements

To receive credit for merit badges our staff must see the requirements completed, or have written confirmation that the requirements have been met. Merit badge prerequisites, or requirements not completed at camp, must be **turned in when checking into camp to be accepted**. You may bring completed requirements to camp using the Requirements Form below or with an official BSA Merit Badge Application (Blue Card). The Requirements Form or Blue Card must be turned into the office when the Scoutmaster checks in their unit. The Blue Card or Requirements Form must be complete with signature to be accepted.
